About This Content

Montréal–Pierre Elliott Trudeau International Airport (IATA: YUL, ICAO: CYUL) (French: Aéroport international Pierre-Elliott-Trudeau de Montréal) or Montréal–Trudeau, formerly known as Montréal–Dorval International Airport (Aéroport international Montréal-Dorval), is an international airport serving Montreal, Quebec, Canada, located on the Island of Montreal, 20 km (12 mi) from Downtown Montreal. The airport terminals are located entirely in the suburb of Dorval, while one runway is located in the Montreal borough of Saint-Laurent.

Trudeau is the busiest airport in the province of Quebec and the third-busiest airport in Canada by both passenger traffic and aircraft movements, with 18.16 million passengers and 235,099 movements in 2017. It is one of eight Canadian airports with United States border preclearance and is one of the main gateways into Canada with 11.2 million or 62% of its passengers being on non-domestic flights, the highest proportion amongst Canada's airports during 2016.
